

Virginia DAR State Conference Debutantes

Any female C.A.R. member age 18 (or older), or a senior in high school, may be presented as a debutante at the Virginia DAR State Conference. This is a special presentation to honor and introduce

these C.A.R. members to Virginia DAR as eligible members. The 2022 Debutantes will be presented as a part of the Virginia DAR State Conference Opening Session on Friday night, March 25, 2022, at the Richmond Marriott in Richmond, Virginia.

The 2022 presentation will be the 56th presentation of C.A.R. Debutantes to the Virginia DAR. The V.S.C.A.R. State President and Senior State President will have the honor of presenting Debutantes to the Virginia DAR State Regent.

Arrival: Debutantes and Escorts must be in Richmond for an approximate 4 p.m. rehearsal before the event. More information on the rehearsal will be distributed as it is available. The event will end with the evening receiving line which could last until 10:30 p.m. It is not required that you stay in the conference hotel. Please let Ms. Forsythe know as soon as possible if you will be staying in a different hotel or if you will need a room at the Marriott in which to change your clothes.

Escorts: You may invite an escort, or one can be assigned during rehearsal. Your escort must be a current V.S.C.A.R. member. Please note on the registration form if you have (or have not) invited a C.A.R. escort.

Costs: Debutantes must purchase the opening night dinner at the Virginia DAR State Conference. Debutantes and family members may request special seating at the dinner and presentation with their RSVP. Meal reservation information will be distributed as soon as it is available and must be promptly returned. Debutantes are also responsible for purchasing their own attire, see below for more information.

Attire: Debutantes wear long (floor-length) white gowns, elbow length white gloves, and white shoes. When selecting your shoes and hemming your gown, please remember that there is walking and standing during the presentation and receiving line!
